North Waziristan: Four TTP Terrorists Killed on Pak-Afghan Border

Last night, security forces foiled infiltration attempt by TTP terrorists to enter Pakistan by cutting fence at Pak-Afghan border area adjacent to North Waziristan.

According to details, Pakistani security officials deputed at border post, timely monitored movement of terrorists towards fence and targeted them when they were trying to cut the fence. Four terrorists got killed and several others injured in exchange of fire.

Pakistani security agencies are ever ready to protect geographical frontiers of the country and have full capability to crush nefarious intentions against peace. Insha Allah, with public cooperation, Khawarij, the enemies of country, will be brought to a terrible end.
