Disclosure of Immoral Acts by Luring in Young Boys

Evidences of TTP's Khawarij especially key commanders, being involved in immoral activities has badly exposed reality of TTP.

Locals have expressed serious concerns that TTP terrorists, with Commander Gohar at the top, are luring in young boys and using them for immoral activities in the name of Jihad.

Commander Gohar, alongwith other terrorists is using a young boy named Sanaullah alias Mahajir for immoral desires. Recently a terrorist commander named Ajiz was also killed by a young boy due to such activities.

Which type of Jihad is this? TTP is using name of Jihad just to fulfill their Immoral desires. People reject these evildoers, liars and hypocrites.
