## **TTP Lies and Hypocrisy Exposed Unsuccessful Attempt to Show Fake Videos Being Made in Afghanistan as Pakistan**

After being defeated on ground, internal rifts and growing frustration of terrorists, TTP leadership is forced to resort to lies and hypocrisy.

### **Fake videos made in Afghanistan**

**According to sources, TTP Swat terrorists are making fake videos in different areas of Afghanistan, which will soon be used as propaganda on social media to show presence and movement of terrorists in Pakistani territory, especially Swat.**

TTP's continued use of Afghan territory should be a cause of concern for Afghan Taliban, while Afghan Interim Government needs to take effective measures to expel TTP from Afghanistan.
