Killing of a Person Named Mir Gul Son of Muhammad Khan in Bannu

A person named Mir Gul (resident of Khadri Muhammad Khel) was killed in Azad Mandi area of Bannu. Some elements are trying unsuccessfully to link this killing with terrorism by showing him to be a spy of security agencies.

In fact, Mir Gul was involved in illegal activities and had a long-standing enmity with a person named Salami (resident of Karam Ghari). According to family sources, there is a strong possibility that Salami is involved in the murder. Police investigation is under way and culprits will be arrested soon.
