## TTP Attack on Police Personnel Deputed on Tarawih Prayer

Last night in Tapi area of Kohat district, TTP Khawarij attacked policemen during Taraweeh prayer and martyred two policemen. Now they are brazenly publicizing this anti-Islam act and confirming that they are Khawarij.

People of Pakistan are asking TTP leadership and misguided terrorists, what sort of jihad is this and where has Islam permitted to carryout such attacks. Locals also have deep anger against TTP and are expressing hatred against them.
