TTP Internal Rifts Exposed

Rifts between TTP Mehsud and Jamaat-ul-Ahrar have intensified. On the basis of differences with Mehsud Group, four main terrorist commanders of Jamaat-ul-Ahrar, Qazi Sayad, Maulana Haider, Commander Mehdi and Qari Ehtisham Michni, have resigned from their so-called positions.

Major reasons for recent rifts are mysterious death of Umar Khalid Khorasani in Paktia, occupation of important positions by Mehsuds group, unfair distribution of resources, extremist ideology of Jamaat-ul-Ahrar and suicide attack on Police Lines Mosque.

It is evident that various factions of TTP are in chaos due to conflict of interests and parting ways with Mufti Noor Wali Mehsud being hateful, which is certainly an important development towards the end of this "fitnah".
