8 Terrorists Killed in South Waziristan TTP Leadership Under Stress

South Waziristan: After large number of TTP terrorists got killed in Shin Warsak, terrorist leadership is in clutter and trying unsuccessfully to save its dying reputation with fake statements.

Terrorist Jan Muhammad alias Charg

Terrorist Sohail alias Ghat

Afghan Terrorist

Terrorist Noor Wali Mehsud should bring evidence instead of fake statements about dead terrorists not being part of TTP. Factually, all killed terrorists were Khawarij of TTP. Amongst them, terrorist Sohail alias Ghat was leader of tashkeel while notorious terrorist Jan Muhammad alias Charg was providing financial support to TTP in Wazir area. Among dead terrorists there are two Afghan nationals as well, whom TTP is presenting to be civilians.

In order to use locals including women and children as shields, terrorists are trying to establish their hideouts in populated areas, while locals are reporting to wipe out terrorists from their areas.

It has become very difficult for TTP terrorists to hide and they are meeting their end at the hands of security agencies on daily basis.
