## Similarities Between TTP and Israeli Leadership

In a recent statement, TTP has condemned Israeli attack on worshipers in Al-Aqsa Mosque and killing of Muslims, which depicts hypocrisy of these Khawarij.

**On one hand, TTP is condemning Israeli aggression, while on the other hand, it is involved in heinous crimes like destruction of mosques and burning of Holy Quran in Pakistan.**

**If TTP is really concerned about atrocities on Muslims, then instead of martyring innocent Muslims in Pakistan, it should declare war against India and Israel, which is real Jihad.**

Such statements are just hypocritic in nature and failed attempt to gain attention. People of Pakistan are waiting for declaration of Jihad against India and Israel by TTP.
