## **Bajaur: Terrorist Attack and Infiltration Attempt on Border Posts Foiled**

According to details, TTP terrorists physically attacked and made an infiltration attempt on two Pakistani posts from Afghan territory in Pak-Afghan border area adjacent to Bajaur, which was effectively foiled by security personnel deputed at posts.

**In fierce exchange of fire, several terrorists have been killed while one security personal deputed at post got minor injuries and terrorists were forced to flee to Afghanistan.**

Responsibility lies with Afghan Interim Government to rein in TTP beasts, who are causing mistrust between two neighboring countries.
