South Waziristan: Heavy Casualties of TTP

South Waziristan: Security forces joint operation on inter-provincial boundry adjacent to Gomal Zam, 10 TTP terrorists got killed.

According to details, security forces deployed in area timely identified inter-provincial movement of terrorists. With mutual cooperation of security forces deployed in adjacent area of Balochistan, terrorists were surrounded in extremely difficult mountainous terrain. 10 TTP terrorists got killed during intense exchange of fire, which lasted for several hours. Search for remaining terrorists is still ongoing. During operation, two security personnel got martyred.

In Khyber Pakhtunkhwa, especially North and South Waziristan, security forces have tightened the grip against terrorists, due to which terrorists are forced to move continuously thus being targeted by the security forces.
