## **Bajaur: Infiltration Attempt From Pak-Afghan Border Foiled - Key Terrorist Killed**

TTP terrorists tried to infiltrate from Pak-Afghan border area adjacent to Bajaur. The attempt was timely thwarted by security officials deputed at border posts.

**Key terrorist killed in exchange of fire, while one wounded terrorist arrested as well. However, one injured terrorist fled back to Afghanistan. Sophisticated American weapons recovered from the terrorists.**

This is new generation of terrorists, who were brought up in Afghanistan and specially trained and brain washed for terrorism in Pakistan. Afghan Interim Government needs to find a permanent solution to this problem.
