Khyber District: TTP's Smuggling Attempt Foiled

Security agencies foiled smuggling attempt of TTP terrorists in Tirah, Khyber district. Two terrorists got killed, while four were injured in exchange of fire.

However, two security personnel got martyred.

According to details, security agencies chased terrorists in dense forest, while continuously monitoring and identifying movement of terrorists with intent of smuggling. Two terrorists got killed and four were injured in fierce exchange of fire.

TTP, suffering from severe financial crises, is involved in smuggling and extortion, for which it tries to use different areas as corridors. However, security agencies are bringing terrorists to their end through timely operations with locals support.
