Terrorism and Islamic Sharia

عَنْ أَبِي مُوسَى، عَنِ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ، قَالَ: مَنْ حَمَلَ عَلَيْنَا السِّلَاحَ فَلَيْسَ مِنَّا
صحیح البخاری (۷۰۷۱)

It is narrated by Hazrat Abu Musa (RA) that Holy Prophet (SAW) said, "He who takes up arms against us (Muslims) is not from us."

In this blessed hadith, Prophet Muhammad (SAW) is pointing TTP Khawarij, who pretend to be bearers of Islam, while they are spreading terrorism by declaring war against Islamic State and they commit grave sins like martyring innocents, demolition of mosques and desecration of Holy Quran.

TTP Khawarij use specific mindsets of innocent children to incite them to commit suicide attacks and carry out suicide bombings in public places and places of worship and try unsuccessfully to impose their Takfiri agenda on the Pakistani nation. To achieve their ill motives, they martyr poor policemen who earn halal livelihood, extort money from Pashtun belt and are infact enemies of development and prosperity in tribal districts.

Pakistan is an Islamic state, whose constitution and laws are based on Islamic teachings. All schools of thoughts unanimously declare any armed struggle against Islamic state as illegitimate and forbidden as per Shari'ah, which is already mentioned by renowned Ulemas in recent decree.

State of Pakistan and security agencies are fighting against these Khawarij in the light of Quran and Sunnah and are fulfilling the greatest duty of Jihad in true sense, with locals backing. Insha Allah, after getting rid of these Khawarij, Pakistanis will embark on a journey of progress and prosperity.
