

Defeated on Ground - Noor Wali Mehsud Resorting to propaganda

Quran Says: **O believers ! If any liar brings a news to you, validate it properly.**

(Surah Al Hujrat Ayat no: 6)

Due to recent arrests and killings, Terrorists capabilities have been severely hampered and TTPs two faced leadership is forced to carryout false and misleading propoganda.

The reasons behind TTPs propaganda videos ("Jihad ka Musafir" and "Markay Hain Tez Tar" etc) and false claims are as under:-

- **TTP is facing severe financial and administrative problems and terrorists are becoming hateful of their leadership. Noor Wali Mehsud is forced to resort to false propaganda to save his credibility.**
- **Due to pashtuns increasing hatred towards terrorism, TTP is facing difficulty in local facilitation and recruitment. TTP is trying to use new tactics to garner public support.**
- **After deaths and arrests in large numbers, terrorists morale has gone low and TTP leadership is trying in vain to uplift the morale of coward terrorists.**
- **TTP is facing internal rifts. Propoganda videos and false claims are being unsuccessfully used by TTP leadership to divert public attention from their internal rifts.**

People of Pakistan are well aware of TTPs motives and completely rejects their false propoganda.
