

TTP Propaganda Videos and Associated Hidden Facts

TTP is forced to resort to false propaganda being frightened by recent failures, fatwas by scholars against terrorists, growing public hatred and internal rifts.

TTP's false narrative based on propaganda videos (Zair-e-Nazr etc) is actually another failed attempt to divert attention from facts. These propaganda videos are driven by following facts:-

- TTP's leadership, frustrated by growing public hatred and refusal to facilitate is unsuccessfully using anti-military rhetoric to reduce growing public support against terrorism.
- TTP is trying to divert attention from anti Islam acts of its past leadership and declining reputation of current leadership.
- Terrorists are facing severe despair due to continuous killings and worsening conditions and Noor Wali Mehsud is trying to encourage cowardly terrorists.
- TTP, facing internal rifts is trying to divert attention from its crumbling existence through these fake videos.
- Afghan land is getting narrow for TTP, which is trying to get sympathies of Afghans by depicting countless favors to Afghans done by Pakistan as atrocities through propagating false narrative.

People of Pakistan, being aware of awful nature and intentions of terrorists are standing against them, rejecting their false propaganda.
