## Terrorist Commander Siddiqullah Involved in Bakakhel Bomb Blast

Recently, innocent people were martyred in roadside motorcycle bomb blast in Bakakhel, in which terrorist commander Saddique ullah affiliated with TTP Hafiz Gul Bahadur group, was involved.

A false narrative

According to sources, main target of bomb blast was local leader Qadr Zaman, resident of Bakakhel having personal enmity with terrorist commander Siddiqullah. Even before this incident, terrorist Saddique ullah has tried to target Qadr Zaman. Qadr Zaman was unharmed in attack, while innocent bystanders were bombed.

Terrorist Saddique ullah, appalled by Bakakhil Nation's anti-terrorist statement, has issued a video recording, in which he has given false explanation of his non-involvement in incident. Pashtun nation rejects terrorists and their false narratives.
