Dera Ismail Khan: Terrorist Attack on Police Post Foiled

According to sources, TTP terrorists attacked Khuti police check post in Kulachi Tehsil of Dera Ismail Khan. The police personnel having fought valiantly, forced the terrorists to retreat.

Security forces deployed in the area immediately reached to help police. While chasing the fleeing terrorists, 3 terrorists were killed, operation ongoing to search for the fleeing terrorists. Three security personnel got martyred in the fierce clash and exchange of fire. However, TTP's statement of killing 9 security personnel and burning a vehicle is baseless.

Martyrs of security forces are heroes of the nation and people of Pakistan are proud of them, while abode of TTP's Khawarij is hell.
