TTP Lies and Hypocrisy Exposed Fake Claims of Old Facilitators Joining TTP

Growing internal rifts, financial crisis and heavy casualties have forced TTP leadership to resort to fake statements to accumulate money from its external masters and hide internal disagreements.

Recently, fake announcements are being made about joining of TTP by some so-called terrorists, while actual facts are as appended below:-

- In January, Mustafa Doga Madakhel, a fictitious terrorist from Datta Khel was declared to have joined TTP, who does not exist in reality.
- On 16 March, terrorist Mohammad Umar from Bannu was announced to have joined TTP. Terrorist Omar has been hiding in Afghanistan for many years and is already under TTP's influence.
- On 21 March, Haji Aftab Dawar group of North Waziristan was announced to have joined TTP, who has been hiding in Afghanistan since 2015 and is already active member of TTP.
- On 23 March, an announcement regarding joining of TTP by Moulana Qutbuddin of Bannu was made, who is a criminal and already a long-time TTP facilitator.

To tie terrorist groups with it's dying organization and accumulate money, TTP is making fake claims by using fictitious names or terrorists who are already part of TTP and criminals joining TTP. All these claims are based on propaganda and lies.
