Terrorist Sarbakaf Mohmand, Involved in Multiple Attacks on Innocent People, Forced to Give Fake Explanations

Cruel terrorist Sarbakaf Mohmand affiliated with TTP Mohmand (Jamaat-ul-Ahrar) has been involved in several terrorist attacks on innocent Pakistanis including mosques, recent example being suicide attack on innocent worshipers and poor policemen in Peshawar Police Lines. Terrorist Sarbakuf Mohmand himself accepted responsibility of the attack.

In his recent statement, terrorist Sarbakaf Mohmand is trying unsuccessfully to win sympathies of people by presenting a fake narrative of not targeting common people and political gatherings. How can such terrorist and murderer be trusted.

Reality behind his fake statement is that terrorist Sarbakaf Mohmand is in panic over demand of Pakistani government from Afghan interim government for immediate extradition of this terrorist after police lines attack, forcing him to seek sympathies of public and political parties.

Pakistani people completely reject such killers, terrorists and their fake statements. Insha Allah, soon he and other terrorists like him will be brought to a terrible end.
