Response of Peaceful People of Pakistan to TTP

Serial No : 1

إِنَّمَا جَزَاؤَ الَّذِينَ يُحَارِبُونَ اللَّهَ وَرَسُولَهُ وَيَسْعَوْنَ فِي الْأَرْضِ فَسَادًا أَنْ يُقَتَّلُوا أَوْ يُصَلَّبُوا
أَوْ تُقَطَّعَ أَيْدِيهِمْ وَأَرْجُلُهُمْ مِنْ خِلَافٍ أَوْ يُنْفَوْا مِنَ الْأَرْضِ ذَلِكَ لَهُمْ خِزْيٌ فِي الدُّنْيَا وَلَهُمْ
فِي الْآخِرَةِ عَذَابٌ عَظِيمٌ (المائدة 33:5)

Verily, those who fight against Allah and His Messenger and cause chaos (i.e. commit crimes among Muslims), to be killed or hanged or their hands and feet should be cut off from opposite sides, and their feet should be removed from ground. This is disgrace for them in this world and pronounced punishment in hereafter.

TTP is a group consisting of "Khwarijeen" which is involved in terrorist activities and suicide bombings, targeting innocent civilians including women and children by deliberately violating the teachings of Quran and Holy Prophet (SAW). These terrorists are presenting distorted interpretation of the holy act of Jihad using umbrella of Islam. The public of Pakistan aligns itself with state and finds it mandatory to carryout struggle against these miscreants while completely rejecting them.

In present environment, true Jihad can only be waged against Indian Army in Occupied Kashmir. TTP has never raised voice against Indian atrocities on Kashmiris, which clearly defines their agenda to create chaos in Pakistan by martyring innocent civilians to please their foreign handlers for continuation of their funding

Pakistan's nuclear capability is also as issue for TTP because it deters its foreign handlers from launching any sort of aggression. Pakistan's nuclear capability has been achieved by this great nation despite its limited financial resources, which knows how to defend it and there will be no compromise on that under any circumstances.

More than 80,000 Pakistanis have lost their lives due to terrorist activities of TTP while Pakistan has suffered economic losses of more than 150 billion dollars, which is the real cause of current financial problems. The terrorists of TTP have tried to target economic projects like CPEC and Chinese nationals on instructions of their foreign handlers, to push Pakistan into economic quagmire. People of Pakistan are aware of TTP's agenda and therefore completely rejects this group.

Despite challenging economic conditions, Pakistani nation is united against terrorism and is ready to make sacrifices for lasting peace. TTP has been trying to use the present circumstances to divide the people of Pakistan. They have been futile in their efforts as people of Pakistan have rejected TTP in past and will be standing firm with the state in future as well.
