Pakistan's Ullema-e-Haq Standing Against terrorism; TTP in panics

On one hand, scholars from all schools of thought in Pakistan have unanimously rejected TTPs conspiracies in the light of Quran and Sunnah while on other hand, so-called Mufti Zahid Khel of Afghanistan often gives statements against Pakistan and supports TTP. Zahid Khel used to run a book shop in Peshawar's Qisa-Khwani Bazaar, whereas he now operates a madrassa after being exiled to Afghanistan.

It is worth mentioning here that TTP leader Noor Wali Mehsud considers Pakistan's Ulema Haq as his mentors and constantly seeks guidance. Now these Khawarij are panicking after statements of the same Ullema denouncing terrorism.

Emir and religious leader of Afghan Taliban is Maulvi Haibatullah, who has repeatedly assured that Afghan soil will not be used for terrorism against Pakistan. It is vital for the Afghan Interim Government that it does not shelter TTP terrorists in Afghanistan. In addition, they must prevent agents amongst their ranks from giving out anti-Pakistan statements.
