North Waziristan - Suicide Bomber Arrested

Security agencies have arrested a suicide bomber trained by Hafiz Gul Bahadur group and foiled a major terror plot in an intelligence-based operation in Spinwam, North Waziristan.

TTP is using minors and innocent children for their nefarious activities by luring them towards terrorism.

The brave and peace-loving people should identify Khawarij hidden in their ranks so that the future of Pashtun children can be secured by eliminating these terrorists.
