## Islamic Emirate of Afghanistan's Stance on Emir-ul-Momneen's Statement About Pakistani Judicial System

Emir-ul-Momineen Sheikh Haibatullah Akhundzada Hufzaullah statement is circulating over social media for the past few days with a view to achieve a specific goal. Ameer ul Momineen and scholars of the Islamic Emirate have taken notice of the issue. Preliminary inquiries were conducted, however, thorough investigation will be conducted subsequently.

It is worth mentioning that Emir-ul-Momineen's statement was used out of context. Sheikh Haibatullah Akhundzadeh Hufzaullah made this statement during teaching process, which was solely aimed at comparing two different judicial systems. During the same class, reference towards the book of Mufti Taqi Usmani was also made. The sole purpose of these statements was an academic discussion. Taking the same statement as a fatwa and attributing that fatwa to Sheikh Baitullah Akhundzadeh Hefzallah wrecks of academic betrayal, manipulation of teaching sanctity, disagreement with Emir-ul-Momineen and is completely against the clear policy of the Islamic Emirate.

The Islamic Emirate of Afghanistan respects Mufti Taqi Usmani and assures that the incident will be thoroughly investigated. At the same time, the Islamic Emirate expects all Mujahideen to fully abide by the stated policy of the Islamic Emirate and not to misuse any statement of Emir-ul-Momineen Sheikh Haibatullah Akhundzadeh for their own gains and without the permission of the Emirate.
