وَإِذَا قِيلَ لَهُمْ لَا تُفْسِدُوا فِي الْأَرْضِ قَالُوا إِنَّمَا نَحْنُ مُصْلِحُونَ (البقره 2:11)

And when it is said to them, "Don't spread discord in the land", they say, "We are the reformers."

TTP Khawarij failed IED attack on police vehicle in Badaber, in the suburbs of Peshawar. There was no damage as is clearly visible in pictures.

Terrorists of TTP fear the Army and are unable to confront it. Therefore, they are attacking soft targets in a bid to cover up their failures and to spread fear among locals, in which they are failing.

TTP's anti public activities and terrorist attacks are increasing hatred for them among Pashtun people exponentially.

God Willing, peace loving people of KP and law enforcement agencies will together root out scourge of terrorism.
