Notorious Terrorist and Hypocrite Ehsanullah Ehsan is Shocked by Public Reaction

Recently shocked by strong public reaction to fabricated and baseless propaganda published in Indian newspaper by former TTP spokesperson Ehsanullah Ehsan, he took to social media users to respond to their factual views, which is a clear proof of cowardice of this terrorist khawarij and hypocrite.

Following are the facts behind Ehsanullah Ehsan's latest statement :-

- ▲ He is suffering from severe mental agony over the public's expression of hatred and has been unsuccessfully trying to make explanatory statements based on lies on social media.
- ▲ Unable to face the truth, Ehsanullah Ehsan has now openly come out in support of Afghan Taliban so that he can get shelter and haram wealth.
- ▲ The public asks this hiding killer why you did first confessed to state and became a sworn witness against TTP and then escaped while becoming enemy of the state.

Ehsanullah Ehsan should now face bitter facts, come out of imaginary world and see how much public hate him and strongly reject tools of foreign powers and anti-Pakistan forces for survival of the state, should stand with the guarantors.
