Khawarij's Attack on Mianwali Air Base Foiled 9 Terrorists Sent to Hell

This morning, TTP Khawarij tried to attack Mianwali Air Base, which was timely and bravely foiled by security personnel, 9 Khawarij sent to hell.

According to details, three terrorists were killed even before entering base premises, while rest of terrorists were confined to a specific area and killed during clearance operation. However, three decommissioned planes used in 1965 war and one fuel tanker at the base were partially damaged.

Leadership of outlawed TTP hiding in Afghanistan is unsuccessfully trying to spread fake propaganda by using name of fictitious organization called Tehreek Jihad Pakistan to avoid expected pressure from Afghan Interim Government.

Pakistani nation has come to know that Khawarij of TTP are becoming tools of Pakistan's enemies to make haram wealth by wearing cloak of Jihad. Entire nation is united against Khawarij, people of Pakistan and security agencies will continue to hunt down Khawarij from their hideouts and bring them to a terrible end, Insha Allah.
