TTP Hates Quranic Teachings Resort to Lies and Hypocrisy

The outlawed TTP is trying unsuccessfully to cover up its anti-Sharia agenda and gain public sympathy on basis of Lal Masjid incident on 7th July.

Pakistani nation ask few questions to these extortionist Khawarij who violate sanctity of Holy Quran and hate Quranic teachings:

- **Contrary to Quranic teachings, isn't targeting innocent Muslims with terrorism an insult to Quran?**
- **Is it not desecration of Quran by martyring hundreds of copies of Quran in suicide attacks on mosques?**
- **Are extortion, kidnapping for ransom, target killing and immoral activities not rebellion against Quranic teachings?**
- **Is it not insult to Quranic teachings to lure innocent and poor children and use them in terrorist activities under the guise of so-called Jihad?**
- **Is it not insult to Quranic teachings to lure innocent and poor children and use them in terrorist activities under the guise of so-called Jihad?**

Instead of lies and hypocrisy, TTP should hold itself accountable and understand how much damage this Takfiri agenda has done to TTP and the religion of Islam.

Undoubtedly, TTP terrorists are worst form of Khawarij and enemies of Shariah.
