Khyber Pakhtunkhwa Police has emerged as front line force against terrorism and has inflicted heavy casualties upon Khawarij, while Khawarij afraid of professional skills and high morale of police force, are compelled to do fake propagandas.

TTP in recent statement is trying to do fake propaganda while using Khyber Pakhtunkhwa Police advisory regarding uniform during routine move.

Actually no such orders were issued from the police headquarters. The brave officers and jawans of the police force are looking more energetic and brave than before against the terrorists for the honor of their uniform and the oath

Security forces better strategy, timely intelligence and with deployment of modern technical resources, movement of Khawarij is strictly observed and they are meeting terrible end.
