Bajaur: TTP's Public Enmity on the Rise Two Innocent Locals Martyred in Suicide Blast

TTP terrorists targeted poor and hardworking citizens with improvised explosive device on the outskirts of Meena, Bajaur, when they were on their way to Lavati to deliver construction materials in a truck. As a result of explosion, driver Sher Wali and his companion Gul Azam got martyred.

TTP has once again proved that they can cross all limits for their enmity with public by terrorizing innocent locals.

Locals question these anti-Islam Khawarij, whether they were not residents of Bajaur. Someone should ask them how killing of innocent people is Jihad and where is it allowed in Islam.
