North Waziristan: Coward Khawarij of TTP Fearful of Girls' Education

According to details, terrorists planted explosive materials on rear walls of Government Girls Middle School Hassu Khel and Government Girls Middle School Gul Muski in Tehsil Mir Ali, which were leading in education and training of girls. Resultantly, both schools got partially damaged.

Attacks on girls' schools badly expose so-called jihad of Khawarij. Tribals have known reality of terrorists and want their complete elimination, while security agencies are ensuring peace and development by bringing terrorists to a terrible end.
