TTP's Conspiracy to Mislead Innocent tribal Children for Using Them in Terrorism

North Waziristan; TTP Terrorist leaders (Hafiz Gul Bahadur Group) Ariana and Younis have lured 2 minor children from Dagrai area for terrorism, who are being trained for suicide attacks.

TTP leadership is living comfortable life in Afghanistan with their wives and children while innocent tribal children are being used as suicide bombers against their parents' will and parents are not even allowed to meet their children

It is responsibility of tribals to report disappearance of their children to security agencies in time to prevent innocent children from becoming fuel for terrorism.
