Waziristan: TTP Killings Continues Six Terrorists Killed in Successful Security Forces Operations

In two different operations in Waziristan, security forces killed six terrorists in an apt and timely response.

According to details, upon intelligence about presence and planning of terrorist activities by terrorist in Barwand area of South Waziristan, security forces surrounded the terrorists during their movement. In fierce exchange of fire, 5 terrorists got killed. Slain terrorists were wanted in several terrorist activities and were planning more attacks.

On the other hand, a terrorist was killed while trying to exfiltrate to Afghanistan from Pakistan-Afghan border adjacent to North Waziristan

Land for terrorists is shrinking and local facilitation is also continuously decreasing, while large numbers of terrorists are being targeted by security forces. All Khawarij who come with intention of spreading terrorism will be brought to a terrible end in the same way, Inshallah.
