Notorious Terrorist Leader Hamidullah alias Gohar Decides Escape to Afghanistan

North Waziristan, terrorist Gohar has decided to flee to Afghanistan, after losing trust of TTP Central Council and subordinate terrorists. TTP inside sources confirm these facts:-

- Terrorist Gohar has already moved his wife and son named Yasir to Afghanistan.
- Terrorist Gohar is also worried about his son's education and employment like every father.
- Gohar has demanded a huge amount of money from contractor working on Shamiri Dam, which he wants to utilize during his permanent stay in Afghanistan.
- Terrorist Gohar plans to escape to Afghanistan immediately after collecting ransom, leaving behind misguided subordinates and terrorists called from Afghanistan.

State is like a mother. Gohar's son is not to blame for anti-state activities. State is ready to take responsibility for better future of his child. Terrorist Gohar should surrender and decide for a better future for his family. By going to Afghanistan, TTP's Central Council will surely kill him like Khalid Khorasani. There is still time for terrorist Gohar to surrender before state.
