Irrefutable Evidence of TTP's Presence in Afghanistan

TTP and Afghan Taliban have always denied presence of the TTP Khawarij in Afghanistan and use of Afghan territory against Pakistan.

In fact, Khawarij are not only present in Afghanistan but they are also being provided with all facilities and resources for terrorist activities. The irrefutable evidence of which has been provided to the Afghan Interim Government several times.

Recently, TTP on its official media channel Umar Media has confirmed killing of terrorist leaders in Afghanistan's Kunar province, which is a clear proof that Khawarij are hiding on Afghan soil and carrying out operations against Pakistan through planning, training and implementation.

There is a long list of TTP terrorists who have gone to hell in Afghanistan, including Mullah Fazlullah, Hakeemullah Mehsud, Umar Khalid Khorasani, Badshah Khan Mehsud, Atiqur Rehman, Shahr Waziristani, Rasool Gujjar, Yasin, Shehryar Mehsud and Nursyed are note worthy.

The irrefutable evidence of Afghan soil being used against Pakistan and TTP's admission has once again exposed the hypocrisy of the Khawarij. The responsibility is now on Afghan Interim Government to take concrete steps against TTP, otherwise Pakistan will have to once again target Khawarij sanctuaries inside Afghanistan.
