Major Success of Security Agencies Against TTP Two Terrorists Escaped from Banjot, Swat Arrested

On May 24 (Public Voice No. 180), there were confirmed reports of two wanted terrorists escaping with injuries after a joint operation by security agencies against terrorists in Banjot.

As a result of continuous pursuit of terrorists using all resources, both fugitive terrorists who came for treatment this morning along with the facilitator were arrested alive from Peshawar.

According to initial investigation, arrested terrorists had collected a large amount of arms and ammunition, which is being recovered. Arrested terrorists were planning to target important Tribal elders and political leaders in Malakand and Swat. Arrest of terrorists is definitely a big blow to TTP.

There were rumors of a possible return of terrorists to Swat among different circles. In this successful operation, besides removing these concerns, security agencies have reiterated to thwart any conspiracy to disturb peace in Malakand and Swat by risking their lives.
