Khyber (Bara): TTPs Suicide Attack on Tehsil Headquarters Foiled

Khyber District: Two TTP suicide bombers tried to enter simultaneously in Tehsil Headquarters Bara building.

Policemen stationed at main entrance displayed great courage and professionalism, timely identified both suicide bombers and foiled entry attempt. Both suicide bombers were forced to blow themselves up outside main entrance.

After recent failures, TTP deeply discouraged and disillusioned, is forced to resort to suicide attacks while taking its own toll.

Positive results of recent increase in professional capabilities of KP Police are evident, where police are fighting terrorism alongside other security agencies and are foiling terrorists' ambitions with great bravery.
