Collapsed at the Hands of Security Forces on the Battlefield TTP's Ongoing Hypocrisy on Social Media and Real Facts

Khawarij are now forced to survive only on social media after being hounded by security forces at every turn. Khawarij of TTP along with Afghan facilitators are propagating traditional hypocrisy and lies on social media spaces while the real facts are as follows:

- ▲ If TTP have the militants they claim, where are they and why are a few criminals running and hiding from the security forces.
- ▲ Only in last one year, 575 TTP terrorists have been sent to hell, while thousands have been injured.
- ▲ Qari Shoaib, a member of TTP's so-called Shura and a hired killer, who is claiming the presence of Khawarij on Pakistani soil on social media, where is he now and why is he using Afghan media.
- ▲ So-called Afghan analyst Dr. Heshmat is trying unsuccessfully to reduce international pressure on the Afghan Taliban by baselessly accusing Tajikistan and Pakistan for supporting ISIS.

People of Pakistan sends a message to the Khawarij of TTP and Afghan Taliban that:

- ▲ Our security agencies are fully capable of defeating the TTP and will succeed InshaAllah.
- ▲ Tribal districts are on the journey of development and no so-called organization will be allowed to stand in the way.
- ▲ Afghan Taliban should avoid telling lies in Ramadan and understand that Pakistan is not the United States to throw dust in its eyes. We know the truth.
- ▲ Pakistanis hate TTP. If Afghan Taliban continues to deny the truth, then this war will go inside Afghanistan.
- ▲ Khawarij of TTP need to be held accountable because it is not 2007 and writ of the state is in place. By the grace of Allah we are ready and determined to deal with all external threats and terrorists.
