## **Bajaur: Khawarij Infiltration Attempt from Afghanistan Foiled, Three Khawarij Sent to Hell**

Security forces foiled Khawarij infiltration attempt from the border area of Bajaur and sent three Khawarijs to hell.

**According to the details, security personnel posted on border at night of 23rd and 24th April foiled infiltration attempt and killed one terrorist while rest of the terrorists escaped leaving killed partner.**

**Later, Khawarij tried to recover body of killed terrorist, on which security personal posted on border targeted terrorists and sent two more Khawarij to hell, showing great diligence and professionalism.**

**Once again, Afghan Taliban deployed across the border gave full support to Khawarij and fired at Pakistani post while facilitating anti-Pakistani planning. Afghan interim government is deliberately pushing TTP terrorists across border to Pakistan to die.**

Unsuccessful attempts of Khawarij infiltration from Afghan soil are question mark on claims of Afghan Interim Government denying presence of TTP. If this continues, Pakistan reserves the right to act unilaterally.
