TTP Hypocritic Leadership Disassociating From Killed Khawarij

In last few months, large number of TTP Khawarij have been sent to hell in successful security forces operations while following customary hypocrisy, TTP is releasing fake statements to disassociate themselves from killed Khawarij.

Increased killings of Khawarij have left anti-Sharia leadership of TTP in a state of disarray who are unable to control internal rifts.

Terrorist Noor Wali Mehsud is trying unsuccessfully to keep hold of organization and to save his declining reputation by declaring these killings as fake operations, which of course has been habit of these religion selling Khawarij.

TTP's disassociating themselves from slain Khawarij proves that their comrades are of no importance to this Khawarij group and they are only using them for Takfiri purposes.

Self-interest and selfishness of terrorist Noor Wali Mehsud has been exposed on TTP Khawarij and many sub groups hate his leadership while looking for opportunity to kill him.

Now time is not far when Khawarij will meet terrible end amid their own spread chaos, Insha Allah.
