Recently, there were reports about presence of terrorists hideouts in extremely difficult and uninhabited hilly areas and forests adjacent to Sararogha area of South Waziristan, who were using these hideouts for terror attacks in Bannu, Lakki Marwat, Tank and Waziristan.

According to intelligence and locals, a large number of terrorists had established strong posts with hideouts in uninhabited and difficult areas like Spina Kwara, Landa Algad and Kashti Algad.

Security agencies conducted a highly successful operation by determining terrorists hideouts utilizing all resources and executed in organized way. After several hours of intense fighting, terrorists hideouts were destroyed and 40 terrorists including terrorist leaders Dawood and Shaheen, were sent to hell while a large number of arms and ammunition were seized.

Many Afghans are also among slain terrorists.

TTP Khawarij have no place to hide in Pakistan and according to Afghan Defense Minister they will not find any place to hide in Afghanistan either. Grip around terrorists and their facilitators is getting tight, so it is better for them to surrender to security agencies.
