Growing Internal Rifts and Extortionist Terrorist Noor Wali Mehsud's Fake Claims Regarding Merger of New Groups in TTP

Habitual of lying and hypocrisy, TTP is making false statements about joining of new groups in terrorist organization, while actual facts are as follows:-

- ▲ On July 16, Saif Al-Umar group's joining TTP was announced in Kohat; Saif Umar is a known criminal who is wanted in extortion and theft cases.
- ▲ July 22, Badr Khalid group joins TTP from Kurram, who was previously affiliated with Hafiz Gul Bahadur group.
- ▲ On July 23, merger of Qari Saifullah group from Peshawar was announced however no such person or group exists.

Internal Rifts of TTP are on the rise, while statements of fake names, individuals who are already part of terrorist organization and criminal gangs joining TTP are failed attempts to hide their humiliation.
