## Khawarij Noor Wali's Conspiracy to Incite Scholars and Madaris Students Against Pakistan Exposed

Shocked and heartbroken by clear stand of scholars and ullema from all schools of thought against TTP, commander of outlawed TTP, Khawarij Noor Wali in a recent statement, tried unsuccessfully to incite scholars and graduates of madaris for so-called Jihad against the state of Pakistan.

Facts behind this statement are as follows:

- ▲ As a result of the successful operations of security forces, they are facing severe shortage of manpower due to increasing casualties of Khawarij and with such statements, they are making unsuccessful attempts to mislead younger generation to join their ranks.
- ▲ TTP is running terrorist training centers in Afghanistan in name of so-called madaris and under the nose of Afghan government, in which Afghan children are being brainwashed into terrorists.
- ▲ Khawarij have been violating sanctity of mosque, pulpit while using them for their Takfiri agenda. This statement is a failed attempt to incite scholars and students for so-called Jihad against Sharia.
- ▲ Khawarij are forced to make such statements in a frenzy after internal turmoil and defeat at hands of security forces to keep their dying moment alive.

Khawarij who are enemies of Islam and Pakistan should understand that entire Pakistani nation rejects them and ullema, Mashaikhs and madrasa students are capital of this nation, who are followers of true religious teachings and not only stand against the Khawarij but also against them. They want to end it as soon as possible.
