## **South Waziristan: Successful Operation by Security Forces against Khawarij, Two Terrorists Sent to Hell**

South Waziristan; Security forces conducted a successful operation upon information about the presence of terrorists in the area adjacent to Shin Warsak.

**According to the details, security forces surrounded the hideout of Khawarijs upon information about presence of terrorists. On which they tried to escape, but the security forces foiled all escape attempts with professionalism and two terrorists were killed in the fierce exchange of fire.**

**The slain terrorists were involved in extortion and planting of automatic bombs in public places as well as several attacks on police and security forces**

Security forces deployed in South Waziristan have tightened their grip on the terrorists and Khawarijs are facing severe problems in movement. While the search and elimination of terrorists through the integrated intelligence network continues rapidly, Alhamdulillah.
