Tank; Big Success of Security Forces Against Khawarij, Four Khawarij Sent to Hell

On February 24, security forces killed four terrorists in a highly successful intelligence-based operation in Tank's Kari Hyder area.

According to the details, after killing of two Khawarij on February 24 in a fierce exchange of fire with the security forces, some terrorists escaped, for whom search operation was going on in the area.

Security forces killed two more terrorists last night in exchange of fire with fleeing terrorists. With this, the number of terrorists killed during the ongoing operation in the suburbs of Kari Haider has reached four, including Habibullah alias Qari Anas, Malang Marwat and Nasibullah alias Armani.

The security personnel deputed in tank and suburbs are not giving any opportunity to terrorists for hiding and they are being sent to hell in large numbers. InshaAllah, this will continue until elimination of Khawarij from the area.
