Khyber District: A Large-Scale Operation by Security Forces Against Khawarij Continues, Many Terrorists Killed and Arrested

After the confirmed reports of presence of Khawarij in the remote and extremely difficult mountainous areas of Khyber district, large-scale operation by security forces is underway, in which several terrorists have been killed and arrested alive.

According to the details, the Khawarij were planning to gain a foothold in the difficult and densely forested areas of Khyber district so that terrorist activities could be implemented in densely populated areas adjacent to Khyber. Security forces timely identifying the nefarious intentions of the Khawarij and launched a large-scale operation in Khyber.

As a result of the operation, the Kharijites are facing serious losses and so far many terrorists have been killed and their bodies have been recovered, while dozens of Kharijites have also been arrested.

These anti-Islam Khawarij will neither be given a chance to hide nor will they find a way to escape while the encirclement around them is being tightened and all efforts for the peace of the region will be thwarted in the same way. InshaAllah
