South Waziristan: Terrorist Attack on Local Population And Strong Public Reaction

According to details, terrorists wanted to attack security forces by using locals as human shields using populated area. Locals are showing strong hatred towards terrorists and jirgas are being organized to pressure terrorists to stay away from populated areas.

According to details, one terrorist was killed in fierce exchange of fire during raid while one terrorist was arrested. Terrorists were involved in attacks on police posts, several terror activities and attacks on security personnel deputed with polio teams.

On other hand, according to confirmed sources, in view of presence of terrorists in the area, forced shelter in local houses and danger to innocent locals, security forces plan to conduct comprehensive operation by evacuating area.

Unable to face security forces, Khawarij have once again proved their enmity towards public by targeting innocent locals. Security forces and public will work together to bring these Khawarij to a terrible end, Insha Allah.
