## **Fake Statement of Khawarij Regarding Election Exposed, Who are Fed up with Growing Public Backlash**

In recent statement, TTP has on one hand falsely claimed not to target political figures and public in upcoming elections, on the other hand it has also opposed election process.

Following are the facts in context of TTP's recent statement:

- ▲ **TTP has a dark history of targeting political leadership. Political leaders like Mian Iftikhar's son Rashid Hussain, Haroon Bilor, Bashir Bilor and Ms. Benazir Bhutto have been targeted by these Khawarij.**
- ▲ **From the very first day, TTP is convinced of tyrannical system of government, having mindset against Islam and public with self-imposed interpretation of Islam against democracy.**
- ▲ **To appease foreign masters and destabilize Pakistan, TTP may try to target political leadership as an easy target and this statement is just a failed attempt to garner public sympathies.**
- ▲ **Ehsanullah Ehsan's statement that various factions of TTP have strong ongoing rifts over targeting politicians in elections is clear evidence that Khawarij will try to target politicians during preparations of elections.**

Security agencies and public are well aware of TTP's hypocrisy as well as anti-Pakistan agenda and are always ready to deal with these Khawarij. InshaAllah, next election will be completed peacefully and ambitions of these Khawarij will be thwarted by people and security agencies together.
