South Waziristan: Two TTP Khawarijs Killed in Highly Successful Security Forces Operation

Security forces surrounded terrorists on the basis of intelligence, about their movement from inter-provincial border towards South Waziristan.

Two TTP Khawarij were killed in fierce exchange of fire and reportedly more terrorists were injured.

Terrorists were using mules to transport goods, from which advanced weapons, rocket launchers, large quantities of ammunition and improvised explosive devices were recovered.

Effective strategy of security forces, deployment of additional resources at inter-provincial border and timely provision of intelligence are giving Khawarij nowhere to hide and they are facing heavy casualties.
