TTP's Internal Rifts and Fake Claims Regarding Merger of Fictitious Groups

Banned khawarij-based TTP is making fake claims of joining fictitious groups. Latest fake claim is of a new group from Parachinar.

These fake claims are actually failed attempt to divert attention from TTP's internal turmoil and prevent further disintegration.

After intensification of rifts with Jamaat-ul-Ahrar, terrorist Noor Wali Mehsud is afraid that sub-groups of Swat, Dir, Bajaur and Khyber may also rebel against leadership.

Khawarij Noor Wali Mehsud is already on verge of death, who has been in hiding after being injured in an attack a few days ago and is afraid to meet even close associates.

Nation rejects fake claims of these Khawarij and fully supports operations against them because abode of Khawarij is only hell.
