North Waziristan: Major Success of Security Forces Against Khawarij, 6 Khawarij Sent to Hell

Security forces killed 6 Khawarij in a highly successful operation in the suburbs of Spinwam (North Waziristan), arms, ammunition and communication equipment recovered.

According to the details, security forces surrounded the khawarij upon information about their presence. They tried to escape, but due to the security forces strategy, Khawarij failed to escape and in a fierce exchange of fire six terrorists got killed

Slain terrorists were involved in extortion, target killing and multiple attacks against the security forces, whose killing is undoubtedly a major achievement for the security forces

Security forces deployed in North Waziristan have further strengthened their grip against the terrorists and khawarij are hiding from them, while security forces are engaged in a comprehensive strategy to dispatch the Khawarij to hell. Alhamdulillah
